

All lines and boxes should have these dynamic settings (unless its already in the file like in the bridge etc)

1	Rigorous 12th-Grade Selection	+
2	Senior-Year Syllabus & Certificate	+
3	Florida Pilot Placement	+
4	On-the-Ground Professional Supervision	+

This should be an interactive menu (when the + is clicked on that section should expand to show the paragraph. it should stay open unless the x is clicked oon or half a minute passes

1	**Rigorous 12th-Grade Selection** Highly filtered screening across Golan high schools to select mature, empathetic, and resilient graduating seniors.	×
2	**Senior-Year Syllabus & Certificate** Complete a structured professional training syllabus in Israel—earning a certificate in behavioral support and communication.	×
3	**Florida Pilot Placement** Match each graduate with a partner South Florida Jewish day school, host family/housing, and a specific student in need.	×
4	**On-the-Ground Professional Supervision** Dedicated local educational and clinical staff guide, check in on, and support both mentors and students throughout the year.	×
